## PROFESSIONAL SKILLS

*Skills*

### TEACHING SKILLS

---

- ◆ Fostered a caring, inclusive learning environment rooted social justice schools in Korea, New York, Toronto and Taiwan
- ◆ Maintains an ongoing knowledge of standards-based approaches to instruction and assessment in primary and secondary classrooms
- ◆ Taught students to mastery of subject material through planning, assessing, and re-teaching
- ◆ Promoted real-world understanding through Project-Based Learning with unit reflection and evaluation
- ◆ Integrated technology throughout the curriculum and promoted 21st century skills

### PLANNING & ORGANIZATIONAL SKILLS

---

- ◆ Collaborated with specialist teachers to create and teach thematic transdisciplinary units
- ◆ Developed instructional procedures and materials consistent with individual learning needs
- ◆ Designed and implemented a STEAM-based curriculum for Summer and Winter Programs
- ◆ Co-ordinated and managed school in-school and after-school clubs and activities for 300 middle school students
- ◆ Consulted on a government authorized English textbook for provincial use
- ◆ Facilitated a province-wide strategy to assist in raising Incheon students' national test scores

### LEADERSHIP & TEAMWORK

---

- ◆ Lead a team of four teachers through curriculum planning, unit design, student exhibitions, and meaningful assessment creation
- ◆ Assisted in hiring, evaluating and training teaching candidates
- ◆ Acted in leadership roles to enhance extracurricular programs: Summer Program Lead, Winter Program Lead and EE Trip Lead
- ◆ Collaborated with co-workers, supervisors and parents to maintain a “partnership” environment as second grade team lead
